

Welcome to Teo Maris web page. We are able to operate yacht sales, yacht charter and the clothing shop. We always take care to provide consistent quality of service as we want our customers to feel well looked after by Teo Maris in all areas. Individual care, flexibility and friendliness are our standards. The Teo Maris team will make every effort to ensure that your nautical holiday is a lasting experience.

As well as selling new boats we also offer used boats for sale. Our services even extend to the offer of holiday homes, in connection with which we can also provide small, open sports boats for day excursions. Test rides and boat tests for almost all our boats are also part of our range.

Our charter fleet currently consists of 10 charter boats starting at 18-foot up to luxurious yachts with 3 rooms, kitchen and bathroom.

In addition to sales and charter services, our service portfolio in Istria/Croatia also includes yacht care for your yachts.

Experience our boats and discover your own unique motor yacht feeling against a magnificent Croatian-Mediterranean setting.
